.... Address

Name of Operator.

TO BE FILED BY THOSE OBTAINING IRRIGATION WATER FROM A DITCH COMPANY OR IRRIGATION DISTRICT

Nome of Ditch, Ditch Company or District Supplying Water State the number of acres you irrigate under this system. Shares you hold Hyou obtain water from more than one Company, give the number of shares, acres irrigated and the name of the Company under "Remarks." If you obtain water from a Ditch Company and also have a private system in both Part A and Part B. Part B TO BE FILED BY THOSE WHO HAVE A PRIVATE DITCH. FUMP OR IRRIGATION SYSTEM or those who have a private water right under a Ditch Company In what year was this land first irrigated? Date attacked durant follows. Give the name of the original appropriator (first user): Give the date appropriated Amount filed on: Miners Inches. C. F. S. State the total number of acres irrigated under this system: Range Part C TO BE FILED BY ALL WATER USERS IN ADDITION TO PART A OR PART B Source of Water: Name of stream or lake from which water is originally diverted Name of stream or lake from which water is originally diverted Name of stream or lake from which water is originally diverted How many acres did you trrigate in 19 \$\mathcal{LP}\$? (Crop and pasture) \$\mathcal{LROD}\$ Date. This land is under what ditch? What is the greatest number of acres you have irrigated? State the total number of additional acres that could be irrigated by increasing the water supply, land lever the state of your irrigation system? What is the addition of your irrigation system? How many acres of seeped land do you have which could be drained and put into production? Explain PEMARKS: What is the addition of your irrigation system? BEMARKS: According to the product of the produc	1.	Water is delivered by:	Church Dital Com	nany or District Supplying W	ater
3. If you obtain water from more than one Company, give the number of states, acts and so have a private system filthe Company under "Bemarks." If you obtain water from a Ditch Company and also have a private system filthe Company and also have a private water right under a Ditch Company. TO BE FILED BY THOSE WHO HAVE A PRIVATE DITCH. PUMP OR IRRIGATION SYSTEM or those who have a private water right under a Ditch Company. In what year was this land first irrigated? Date See atlanted decrease for the original appropriator (first user): Give the name of the original appropriator (first user): Give the date appropriated Amount filed on: Miners Inches. C. F. S. State the total number of acres irrigated under this system: Range Part C TO BE FILED BY ALL WATER USERS IN ADDITION TO PART A OR PART B Source of Water: Pumping Other. Name of stream or lake from which water is originally diverted Name of stream or lake from which water is originally diverted Name of stream or lake from which water is originally diverted Date. 10. Water is obtained by: (Check one) Gravity Pumping Other. 11. What is the greatest number of acres you have irrigated? Date. 12. How many acres did you irrigate in 19 \$\frac{1}{2}\$? (Crop and pasture) \$\begin{align*} \text{Date}	j ∔• Zitt		Nome of Ditch, Ditch Com	Shares vou	hold
